

Stelara and biosimilars

CareFirst Prior Authorization Request

CVS Caremark administers the prescription benefit plan for the patient identified. This patient's benefit plan requires prior authorization for certain medications in order for the drug to be covered. To make an appropriate determination, providing the most accurate diagnosis for the use of the prescribed medication is necessary. **Please respond below and fax this form to CVS Caremark toll-free at 1-855-330-1720.** If you have questions regarding the prior authorization, please contact CVS Caremark at **1-888-877-0518**. For inquiries or questions related to the patient's eligibility, drug copay or medication delivery; please contact the Specialty Customer Care Team: CaremarkConnect® 1-800-237-2767.

The recipient of this fax may make a request to opt-out of receiving telemarketing fax transmissions from CVS Caremark. There are numerous ways you may opt-out: The recipient may call the toll-free number at 877-265-2711, at any time, 24 hours a day/7 days a week. The recipient may also send an opt-out request via email to do_not_call@cvscaremark.com. An opt out request is only valid if it (1) identifies the number to which the request relates, and (2) if the person/entity making the request does not, subsequent to the request, provide express invitation or permission to CVS Caremark to send facsimile advertisements to such person/entity at that particular number. CVS Caremark is required by law to honor an opt-out request within thirty days of receipt.

What product is being requested?

- ☐ Stelara IV ☐ Ustekinumab (unbranded Stelara) IV ☐ Stelara SC ☐ Ustekinumab (unbranded Stelara) SC
☐ Imuldosa IV ☐ Ustekinumab (unbranded Imuldosa) IV ☐ Imuldosa SC ☐ Ustekinumab (unbranded Imuldosa) SC
☐ Otulfi IV ☐ Ustekinumab-aauz (unbranded Otulfi) IV ☐ Otulfi SC ☐ Ustekinumab-aauz (unbranded Otulfi) SC
☐ Pyzchiva IV ☐ Ustekinumab-ttwe (unbranded Pyzchiva) IV
☐ Pyzchiva SC ☐ Ustekinumab ttwe (unbranded Pyzchiva) SC
☐ Selarsdi IV ☐ Ustekinumab-aekn (unbranded Selarsdi) IV
☐ Selarsdi SC ☐ Ustekinumab-aekn (unbranded Selarsdi) SC
☐ Steqeyma IV ☐ Ustekinumab-stba (unbranded Steqeyma) IV
☐ Steqeyma SC ☐ Ustekinumab-stba (unbranded Steqeyma) SC
☐ Wezlana IV ☐ Ustekinumab-auub (unbranded Wezlana) IV
☐ Wezlana SC ☐ Ustekinumab-auub (unbranded Wezlana) SC
☐ Starjemza IV ☐ Starjemza SC ☐ Yesintek IV ☐ Yesintek SC

Exception Criteria Questions:

1. For MD-risk LOB only: Is the requested drug being prescribed to treat a patient with stage IV advanced, metastatic cancer with its use being consistent for an FDA-approved indication, the NCCN Drugs Biologics Compendium indication for the treatment of stage IV advanced, metastatic cancer, and/or supported by peer-reviewed medical literature?

- ☐ Yes, *skip to Clinical Criteria Questions*
☐ No, *Continue to Question 2*

2. What is the prescribed product?

- ☐ Pyzchiva, *skip to Psoriasis Enhanced SGM 4179-A Criteria Questions*
☐ Yesintek, *skip to Psoriasis Enhanced SGM 4179-A Criteria Questions*
☐ Imuldosa, *Continue to Question 3*
☐ Otulfi, *Continue to Question 3*
☐ Selarsdi, *Continue to Question 3*
☐ Starjemza, *Continue to Question 3*
☐ Stelara, *Continue to Question 3*
☐ Steqeyma, *Continue to Question 3*
☐ Wezlana, *Continue to Question 3*

3. The preferred products for your patient's health plan are Pyzchiva and Yesintek
Can the patient's treatment be switched to one of the preferred products?

- ☐ Yes, Pyzchiva, *skip to Psoriasis Enhanced SGM 4179-A Criteria Questions*
☐ Yes, Yesintek, *skip to Psoriasis Enhanced SGM 4179-A Criteria Questions*
☐ No, *Continue to Question 4*

4. Does the patient have a documented intolerable adverse event to all of the preferred products (Pyzchiva and Yesintek)? **Action Required:** If 'Yes', attach supporting chart note(s)

- ☐ Yes, *Continue to Question 5*
☐ No, *Continue to Question 6*

5. Was the documented intolerable adverse event an expected adverse event attributed to the active ingredient as described in the prescribing information (i.e., known adverse reaction for both the reference product and biosimilar products)? **Action Required:** If 'No', attach supporting chart note(s)

- ☐ Yes, *Continue to Question 6*
☐ No, *skip to Psoriasis Enhanced SGM 4179-A Criteria Questions*

6. Does the patient have a documented inadequate response to all of the preferred products (Pyzchiva and Yesintek)?

Action Required: If 'Yes', attach supporting chart note(s)

☐ Yes, skip to Psoriasis Enhanced SGM 4179-A Criteria Questions

☐ No, Continue to Question 7

7. Does the patient have a contraindication to all of the preferred products (Pyzchiva and Yesintek)? **Action Required:** If 'Yes', attach supporting chart note(s)

☐ Yes, Continue to Psoriasis Enhanced SGM 4179-A Criteria Questions

☐ No, Continue to Psoriasis Enhanced SGM 4179-A Criteria Questions

Psoriasis Enhanced SGM 4179-A Criteria Questions:

1. What is the patient's age?

☐ 18 years of age or older _____, Continue to 2

☐ Less than 18 years of age _____, Skip to Stelara and Biosimilars SGM 2010-A Criteria

2. What is the diagnosis?

☐ Plaque psoriasis, Continue to 3

☐ Plaque psoriasis with co-existent psoriatic arthritis, Skip to Stelara and Biosimilars SGM 2010-A Criteria

☐ Other, please specify _____, Skip to Stelara and Biosimilars SGM 2010-A Criteria

3. Is the request for Sotyktu?

☐ Yes, Continue to 4

☐ No, Continue to 5

4. Will the requested drug be used in combination with any other biologic (e.g., Humira) or targeted synthetic drug (e.g., Otezla)?

☐ Yes, Continue to 7

☐ No, Continue to 7

5. Will the requested drug be used in combination with any other biologic (e.g., Humira) or targeted synthetic drug (e.g., Otezla, Sotyktu) for the same indication?

☐ Yes, Continue to 6

☐ No, Continue to 6

6. What is the requested medication?

☐ Icotyde, Continue to 10

☐ Otezla/Otezla XR, Continue to 9

☐ Other, please specify _____, Continue to 7

7. Has the patient ever received (including current utilizers) a biologic (e.g., Humira) or targeted synthetic drug (e.g., Olumiant, Xeljanz) associated with an increased risk of tuberculosis?

☐ Yes, Continue to 10

☐ No, Continue to 8

8. Has the patient been evaluated for tuberculosis (TB) infection prior to initiation of treatment with the requested drug?

☐ Yes, *Continue to 10*

☐ No, *Continue to 10*

9. What is the severity of the disease?

☐ Mild plaque psoriasis, *Skip to Stelara and Biosimilars SGM 2010-A*

☐ Moderate plaque psoriasis, *Continue to 11*

☐ Severe plaque psoriasis, *Continue to 11*

10. Has the patient been diagnosed with moderate to severe plaque psoriasis?

☐ Yes, *Continue to 11*

☐ No, *Continue to 11*

11. Is the requested drug prescribed by or in consultation with a dermatologist?

☐ Yes, *Continue to 12*

☐ No, *Continue to 12*

12. Is this request for continuation of therapy with the requested drug or a biosimilar of the requested drug (if applicable)?

☐ Yes, *Continue to 13*

☐ No, *Continue to 19*

13. Is the patient currently receiving the requested drug or a biosimilar of the requested drug (if applicable) through samples or a manufacturer's patient assistance program?

☐ Yes, *Continue to 19*

☐ No, *Continue to 14*

☐ Unknown, *Continue to 19*

14. Has the patient achieved or maintained a positive clinical response as evidenced by low disease activity or improvement in signs and symptoms of the condition since starting treatment with the requested drug or a biosimilar of the requested drug?

☐ Yes, *Continue to 15*

☐ No, *Continue to 15*

15. What is the patient's current psoriasis involvement in body surface area (BSA) percent? Indicate in percentage.

ACTION REQUIRED: Attach supporting chart note(s) or medical record documentation for current psoriasis involvement of BSA percent.

☐ Less than or equal to 3% _____, *Skip to Stelara and Biosimilars SGM 2010-A Criteria Question 58*

☐ Greater than 3% _____, *Continue to 16*

16. What is the patient's percent improvement in body surface area (BSA) from baseline? Indicate in percentage.

ACTION REQUIRED: Attach supporting chart note(s) or medical record documentation for percent improvement of BSA from baseline.

☐ Less than 75% BSA improvement _____, *Continue to 17*

☐ Greater than or equal to 75% BSA improvement _____, *Skip to Stelara and Biosimilars SGM 2010-A Criteria Question 58*
