Attached is a Prior Authorization request form.

For your convenience, there are 3 ways to complete a Prior Authorization request:

| | |
|---|--|
| Electronically Online (ePA) Results in 2-3 minutes FASTEST AND EASIEST | Now you can get responses to drug Prior Authorization requests securely online. Online submissions may receive instant responses and do not require faxing or phone calls. Requests can be made 24 hours a day, 7 days a week. For more information on electronic prior authorization (ePA) and to register, go to Caremark.com/ePA . |
| Phone (4-5 minutes for response) | The FEP Clinical Call Center can be reached at (877)-727-3784 between the hours of 7AM-9PM Eastern Time. A live representative will assist with the Prior Authorization, asking for the same information contained on the attached form. Please review the form and have your answers ready for faster service. The process over the phone takes on average between 4 and 5 minutes. |
| Fax (3-5 days for response) | Fax the attached form to (877)-378-4727 . Requests sent via fax will be processed and responded to within 5 business days. The form must be filled out completely, if there is any missing information the Prior Authorization request cannot be processed. <u>Please only fax the completed form once as duplicate submissions may delay processing times.</u> |
