Exceptions Criteria Huntington's Disease

This document informs prescribers of preferred products and provides an exception process for targeted products through prior authorization.

These criteria were developed to align with the following: Standard Control Formulary (SF), Standard Control Choice Formulary (SCCF), Advanced Control Specialty Formulary (ACSF), Advanced Control Specialty – Choice Formulary (ACSCF), and Value Formulary (VF).

Plan Design Summary

This program applies to the Huntington's disease products specified in this document. Coverage for the targeted product is provided based on clinical circumstances that would exclude the use of the preferred products and may be based on previous use of a product. The coverage review process will ascertain situations where a clinical exception can be made. This program applies to all members requesting treatment with a targeted product.

Each referral is reviewed based on all utilization management (UM) programs implemented for the client.

Table. Huntington's Disease Products

Medications considered formulary or preferred on your plan may still require a clinical prior authorization review.

	Product(s)
Preferred	<ul style="list-style-type: none"> • Austedo (deutetrabenazine) • Austedo XR (deutetrabenazine) • Ingrezza (valbenazine) • tetrabenazine (generic)
Target	<ul style="list-style-type: none"> • Xenazine (tetrabenazine)

Exception Criteria

This program applies to members requesting treatment for an indication that is FDA-approved for the preferred product.

Coverage for the targeted product is provided when both of the following criteria are met:

- Member has had a documented intolerable adverse event to the preferred product generic tetrabenazine, and the adverse event was not an expected adverse event attributed to the active ingredient as described in the prescribing information.
- Member has a documented inadequate response or intolerable adverse event to both of the following:
 - A preferred deutetrabenazine product (Austedo or Austedo XR)
 - Ingrezza
