

Initial Prior Authorization Continuity of Care District of Columbia, Nebraska, New Jersey, North Dakota, Oklahoma

Coverage Criteria

Authorization may be granted for the requested drug when ALL of the following criteria are met:

- The patient is new to the plan within the last 60 days.
- The patient has been receiving the requested drug within the last 120 days.
- The requested drug has been received through a paid pharmacy or medical benefit and approved for coverage previously by a prior plan. [NOTE: Approval can be considered for a different strength of the previously approved drug. Approval can be considered for a generic drug if the previous approval was for the brand drug. However, approval will not be considered for a brand drug if the previous approval was for the generic drug.]

Duration of Approval (DOA)

- 6463-A: DOA: 60 days
