

# Quantity Limit

## Diabetic Test Strips

### Indications

FDA-approved Indications

N/A

### Initial Limit Quantity

Limits should accumulate across all products up to highest quantity listed.

PLEASE NOTE: Since manufacturer package sizes may vary, it is the discretion of the dispensing pharmacy to fill quantities per package size up to these quantity limits. In such cases, the filling limit and day supply may be less than what is indicated.

The duration of 25 days is used for a 30-day fill period and 75 days is used for a 90-day fill period to allow time for refill processing.

Product	1 Month Limit	3 Month Limit
Diabetic Test Strips	150 test strips / 25 days	450 test strips / 75 days
